We are focused on delivering the highest quality products and services in the dental industry in order to help dental professionals perform at their best.

Committed to Your Healthy Smile

LARYNGOSCOPES & ENT DEVICES

Due to high demand from our customers, we expanded.

We began manufacturing laryngoscopes and other ENT devices in 2005, which quickly became one of our core product lines. Since then, we have invested heavily in R&D to continuously improve our products.

STAINLESS STEEL HOLLOWWARE

Super Union Industry uses high-quality AISI 304 non-magnetic stainless steel, 0.07mm thick, to manufacture its hollowware, ensuring long-lasting durability and reliable performance.

We started manufacturing these in 2005. Our standard range includes all types and size in Sterilization Drums, Instruments Trays, Containers, Bowls, Bedpans, Kidney Tray and other ward accessories.

Whatever the quantity requested. The Company uses traditional sales channels (Wholesalers & Distributors) as well as distributing its own products throughout the World.

Customers with the new products design are always welcome for custom manufacturing.

Veterinar Instrumenty

We manufacture a wide range of veterinary instruments designed for reliability and ease of use.

Our products support veterinarians in delivering the best care..

Super Union Industry supplies veterinary instruments to trusted partners across global markets.

Beauty Instruments

We began manufacturing beauty instruments in 2005 and are now a trusted name worldwide.

Super Union Industry supplies beauty instruments to distributors across Europe, Africa, the Middle East, and Far East Asia.

We work closely with distributors and beauty professionals to develop products that meet market needs.
